WEB DESCRIPTION

Case made from soft eco-leather that allows you to rotate your iPad Air 2 by 360° with a simple gesture so that you can view Web or video content, write and look at films and photos with ease. The front cover can be folded onto the rear of the case and has a practical back flap so that you can use the back camera easily and quickly. The iPad is activated with the opening and closing of the cover.

FEATURES

Material:

- Integrated 360° rotation support
- On/off function: the iPad is switched on and off by opening/closing the cover
- Front cover can be turned into a stand that allows you to view and write in varied positions
- Rapid snaps: the practical foldable flap means that the camera is always ready for use
- Magnetic safety closure
